STUDENTS ENJOYING A MEAL

## PLAY BY K1 (NINE NAUGHTY KITTENS)

We were treated to a short but well thought out performance from K1 class, 'Nine Naughty Kittens'. From the creative costumes, to the concept of addition as we listened with keen interest, bravo K1. Parents, it goes without saying that your support and presence means the world to the students. Thank you for honoring our invite and showing up, we appreciate you and look forward to seeing you again for our ensuing events.

# SPORTS EVENTS

This being a sports term we have embarked on a number of activities to take the children out of their comfort zones and push them to greater heights.

## Inyana football team playoffs

We had a football match where we divided the school team up into two different groups to play against each other. This was aimed at building resilience for the entire team and also ironing out a few kinks here and there in anticipation of upcoming games. We are glad to report that the team did not disappoint and came out even stronger.

## Football match with Acacia International School

We had a football match with Acacia international School on 25th February where we emerged victors. The scores were Inyana 7- 4 Acacia International School. The team worked really hard and against all odds emerged victorious. Many thanks to the students and the coaches for this win.

## Chess competition.

On Friday 28th February 2025 we had our chess competition with Acacia International School. The students had been practicing long enough for this and believe they performed well for their age group. We shall continue to practice and get better at it. We emerged 3rd, 4th and 6th position.

## HOW CAN YOU SUPPORT THE CHILDREN FROM HOME?

As we draw closer to the end of the term, we would like to encourage you to read with the children and go over their work while following the prompts given by the teachers in the diaries. Here are some tips that we believe will be helpful;

### **Create a dedicated study space**

Designate a quiet area with good lighting and minimal distractions where your child can study.

### **Positive reinforcement**

Offer praise and encouragement for their efforts, highlighting their progress and achievements because at the end of the day, your word counts a lot for the child.

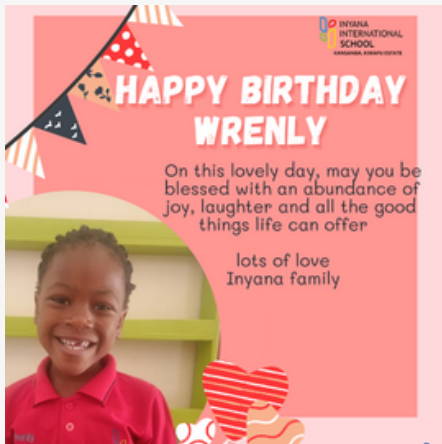

### **Healthy lifestyle**

Ensure that they get enough sleep, eat nutritious meals, and stay hydrated.

## BIRTHDAY CELEBRATIONS

People born in February are mostly unique, creative and generous. We celebrate you all our February babies and wish you more life, happiness and prosperity in the coming years.

## SOCIALS

We do have a vibrant presence on almost all social media platforms. Please feel free to follow us on Instagram (@inyana\_international\_school), youtube (@inyanainternationalschool and Facebook (Inyana international preschool) as we continue to grow the Inyana Community.

Thank you for your continued support
