

LITTLE ASTRONAUT DAY – 12TH JUNE

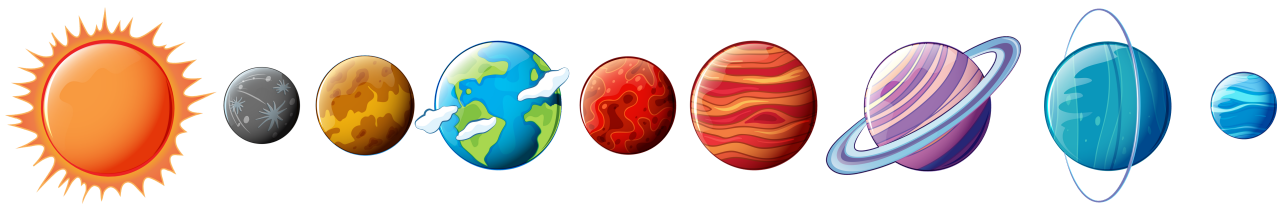

HAPPY SCIENTISTS SHOWING OFF THEIR WORK

Our Little Astronaut Day was an exciting adventure filled with learning, imagination, and fun. The children came to school dressed in a variety of creative space-themed outfits, including astronauts, planets, stars, and mission controllers, bringing the wonders of space to life.

Throughout the day, learners explored fascinating facts about space through hands-on activities, songs, storytelling, games, and creative art. They discovered more about planets, rockets, astronauts, and the amazing universe around us while developing their curiosity, confidence, and teamwork.

WHERE CURIOSITY MEETS THE COSMOS

Through creative play, discussions, and hands-on activities, the children's curiosity is ignited as they discover that learning has no limits. It was a beautiful reminder that every great discovery begins with a curious mind and a big dream.

At Inyana International School, we continue to nurture young minds by creating joyful learning experiences that inspire children to explore, imagine, and reach for the stars.

**Exploring through
books and maps**

At Inyana International School, we believe that every child deserves the opportunity to discover and develop their unique gifts. Through music, dance, drama, and public performance, our learners build valuable life skills such as self-expression, resilience, collaboration, and leadership. These experiences help them grow into well-rounded individuals who are confident in using their talents to make a positive impact.

We are immensely proud of every child who took to the stage with courage and enthusiasm, as well as our dedicated teachers and supportive parents who made this memorable event possible. Together, we celebrated not just performances, but the joy of learning, the beauty of creativity, and the limitless potential within every child.

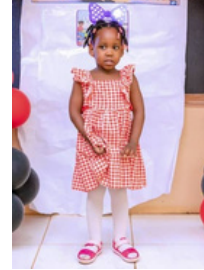

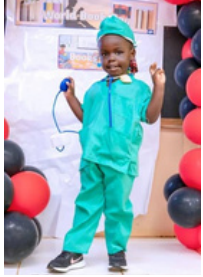

As the final applause echoed through the hall, it reminded us that education extends far beyond the classroom. It is about inspiring children to dream boldly, express themselves freely, and discover the confidence to shine wherever life takes them.

CELEBRATING OUR PRESCHOOL GRADUATES

THREE YEARS OF GROWTH, MEMORIES AND A
FOUNDATION FOR THE FUTURE

5

This year, we proudly celebrated a very special group of children who have been part of the Inyana International School family for the past three years. From their very first days of learning through play to becoming confident, curious and capable young learners, their journey has been nothing short of inspiring

Over the years, our graduands have grown academically, socially, emotionally and spiritually. They have learned to read, write, solve problems, ask thoughtful questions, express themselves creatively and build meaningful friendships. More importantly, they have developed kindness, confidence, resilience and a love for God, qualities that will guide them throughout their lives.

A special appreciation goes to **Ms Brenda**, whose unwavering dedication, patience and passion have made these years truly memorable. Her nurturing guidance, high expectations and commitment to each child's individual growth have helped our learners flourish into confident and independent young people. The countless learning experiences, discoveries and joyful moments shared in her classroom have laid a firm foundation that will serve our children well for years to come.

Congratulations, dear graduands, Keep dreaming, keep learning and keep shining brightly. May God guide every step of your journey and bless the wonderful future that lies ahead.

A Heartfelt Thank You to Our Parents

Every smile, every milestone and every success our learners have achieved has been made possible because of the strong relationship we share with our families. Thank you for believing in our vision, supporting school programmes, participating in our events and walking this journey with us. Together, we are creating a community where children feel loved, valued and inspired to reach their full potential.

Your continued trust has also enabled us to grow in exciting ways. We are delighted to see more families choosing to continue their children's educational journey with us, strengthening our primary section year after year. It is a testament to the confidence you have placed in our school and inspires us to keep raising the standard of excellence in both our preschool and primary programmes.

Thank you for being an invaluable part of the Inyana International School family. We look forward to welcoming you back for another exciting year of learning, growth and shared success.

Message from the Head of school

Dear Inyana Families,

As we reflect on the academic year that concluded on 1st July, my heart is filled with gratitude to God for His faithfulness and the wonderful journey we have shared together.

Looking back, I am incredibly proud of every child. It has been a joy to witness their growth, not only academically, but also in confidence, kindness, independence, creativity, and faith. From their first discoveries in the classroom to the excitement of Sports Day, our concert, themed learning experiences, graduation, and countless everyday moments of laughter, each day has been a reminder of how beautifully children flourish when they are loved and encouraged.

None of this would have been possible without your trust and partnership. Thank you for choosing Inyana International School and for walking this journey with us. Your support, prayers, and involvement have strengthened our school community and helped create a nurturing environment where every child is known, valued, and inspired to reach their God given potential.

As you enjoy the holiday, I encourage you to treasure this precious time together. Read stories, pray as a family, laugh often, and create memories that your children will carry with them for years to come. Learning doesn't stop when school closes; it continues through every conversation, every adventure, and every act of love.

To our graduates, congratulations. We have been honored to be part of your early learning journey and pray that God will continue to guide your steps as you begin an exciting new chapter.

We are already looking forward to welcoming our learners back on 1st September for another year filled with discovery, friendship, faith, and joyful learning. We have exciting opportunities planned, and we can't wait to continue growing together.

May God bless your families with a safe, peaceful, and refreshing holiday. Thank you for being an important part of the Inyana family. We look forward to seeing you again soon.

With gratitude and warm wishes,

Ann Musanabera
